The Plans and Specifications prepared for this project are hereby modified, amended or clarified as follows:

**A. CONTRACT DOCUMENTS:**

1. Replace signature page with the attached page. The Engineer's Certification has been updated.
2. Replace the original **FORM OF PROPOSAL** in its entirety with the enclosed, **REVISED FORM OF PROPOSAL**. Contractors will use the enclosed "**REVISED FORM OF PROPOSAL**" to submit bids.

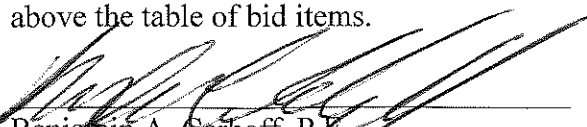

**B. PLANS.**

1. Replace sheet A.01 with the attached sheet. Engineer's Certification and material information have been updated.
2. Replace sheet B.04 with the attached sheet. Errors in stationing and labels have been corrected.
3. Replace Sheets C.01, C.02, C.03, and C.08 with attached sheets. Quantities and Estimate Reference Information have been updated/corrected for several bid items.
4. On sheet M.01, the quantity for Class D Revetment is incorrect. The correct quantity is 20.0 Tons.
5. NEW plan sheet U.01: Estimate Reference Information for Item #36 Intake, SW-501 MOD, refers to a plan sheet which was inadvertently omitted from the original plan set. The plan sheet details the lengthening of the short wall of the intake box to accommodate 24-inch RCP storm sewer pipe.

**C. VALIDITY OF BID:**

**PLEASE NOTE:**

In order for the Bid to be valid, the receipt of Addendum No. 1 must be acknowledged in the appropriate space on the **REVISED FORM OF PROPOSAL**. If no space is provided, note receipt of this addendum above the table of bid items.
